**ANSWER MADE TO COMPLAINT OF RATES** (See Associated Press.)

**WASHINGTON**, August 31.—The Interstate Commerce Commission to-day received the answers of the Louisville and Nashville, Mobile and Ohio, St. Louis and San Francisco and the St. Louis and Mountain Pacific roads and the Morgan's Louisiana and Texas Railroad and Steamship Company, to the complaint of discrimination made by the Lafourche Program Union, which purports to represent the city of New Orleans. The roads reply that the rates from St. Louis to New Orleans are fixed by water competition of controlling forces and that Thibodaux and other points on the Lafourche branch of the Texas, Pacific and San Joaquin branch of the Southern Pacific are therefore limited to low rates as New Orleans, Donaldsonville and Plaquemine. The roads deny that the lower rates give the merchants at the latter points an illegal advance over shippers in the Lafourche section.
